When fucking a girl like Aletta, you gotta have the fiercest dick game around. See, Aletta suffers no fools of fornication. She demands and deserves all-star caliber cock. Erupting in a huge fireball that claims the crest of an expansive mountain range in Afghanistan, billionaire weapons inventor, Tony Stark (Dale DaBone), has just unleashed the fury of his newly designed weapon of mass destruction, the Jericho missile. With his arms raised to the sky and a fleet of important military officers gazing into the mushroom cloud of rubble and debris, Stark boasts, "We all know what our mission is, here. Blowing shit up!"

This is just the start of director Axel Braun's latest superhero extravaganza for Axel Braun Productions/Vivid in *Iron Man XXX: An Axel Braun Parody.* Dazzling his fans with another intelligent script that is chock full of menacing villains, threatening temptresses, and a stream of special effects that only serve to accentuate the perfectly executed hardcore, Braun maintains his level of erotic excellence, further exceeding our expectation of him. With an astute ability of weaving a story through masterful camerawork, Braun proudly delivers a top-shelf pornographic masterpiece, made stronger through the support of a stunning cast filled with award-winning favorites, naughty newcomers, and several kick ass costumes! Stepping inside a world of calculated devastation, the emergences of top-secret government weaponry, and the eccentricities of a billionaire playboy, expect to have loads of fun!

Back in the desert, Tony has neglected the orders to follow the escorted convoy through the hostile, war-ridden terrain; instead, he's chosen to take off across the desert landscape in his limousine. "Relax. It would take an anti-tank missile to hurt this thing," he charges, just as a missile torpedoes through the desolate landscape, destroying his vehicle on the spot.

Now captured by the leader of the Ten Rings group of vigilantes, Tony awakes in the middle of a musky cave, with wires streaming from his bloody chest, attached to a car battery. With odd tools and archaic machinery lying around, Tony becomes startled when he realizes he's not alone. From the shadows walks Hoe Yinsen (Dana DeArmond), a sexy scientist with long legs and a beautiful smile. "I implanted an electromagnet that should keep you alive...for a while," she asserts, tending to his bloody bandages with TLC.

Immediately enticed by the bodacious brunette, Tony can't help but revert to his old playboy ways. Pulling her in to sample her plump, red pout, Tony smashes his mouth into hers, tasting her candy colored lips. Running circles around his mouth with her tongue, Hoe seems to live up to her name! "Do you want to play," she flirts, calling him into hardcore action.

Escorting her to his dilapidated cot, Tony spreads her legs and begins licking the moistened spot between her thighs. With scads of warm cooze streaming from her cunt like a sweating glass of iced tea on a hot day, Tony licks up Hoe's salty drip. "Fuck yeah, I felt a little dehydrated," he jokes, going in for another mouthful of her warm milk.

Pulling her apart like a wishbone, Tony excitedly inserts his cock into her freshly shaven hole in missionary position. Wrapping the soiled bedding around her wrists to create makeshift restraints, Hoe wildly bucks her hips, swiveling around until her pussy sputters and pops.

Finishing her off by plowing her ass and gracing us with glimpses of her gaping and winking asshole, Tony pumps his sexy new bitch full of his super unleaded! Rising to his feet, Braun is quite pleased with this unbelievably hot start by shouting, "Yes, yes, yes!"

Continuing on, Tony learns that the leader of the Ten Rings gang wants him to create another Jericho missile in his cave, in exchange for his freedom. Pushing forward, Tony and Hoe create their escape by constructing the Iron Man suit instead. Coming in to check on Tony's progress, two henchmen slowly enter the cave. Tony emerges from the depths, wearing the Mark I suit, blowing the fuckers to smithereens as he escapes.

Now, six months later, at a Halloween party held at the Stark mansion, Pepper Potts (Lexi Belle), Tony's dutiful assistant, has just been notified that a Chinese dignitary, The Mandarin (Derrick

Pierce), would like to speak with Tony privately about an international weapons system.

While summonsing Tony, Pepper falls under The Mandarin's mysterious spell that is activated from his hypnotic, glowing rings. Falling to her knees, Pepper pulls out his chopstick and begins slurping on his shaft as if she were sucking up a bowl of steaming chow mein noodles. "So fucking delicious," she slurps, running her small hands around his shaft and decorating the head of his cock with scads of her juicy spit stringers. Watching her mouth fill up and her cheeks stretch, The Mandarin unloads his soy sauce down her throat and exhales, "Entertain me with your Western decadence!" She does!

Meanwhile, Tony is right in the middle of stripping Jazy Berlin out of her slutty clothes, while fingering the hell out of Skin Diamond's black pussy. "You bitches are incredible," he compliments, bending Jazy over into a doggie squat so he and Skin can take in giant whiffs of her blonde ambition.

Turning their sights onto him, both girls tackle Tony to the bed and go to work on making his cock sparkle like a Roman candle. Cradling his cock with their outstretched tongues, Jazy pleases the head by sucking hard until her cheeks cave in, as Skin creates a tongue hammock for his balls. "It's good to be the king," Tony charges, controlling both heads around his hodge with the palms of his hands.

Trying each girl out in a myriad of hot positions, Tony makes the absolute most out of both wet pussies, smearing them around his bed like jam on toast. Getting the most mileage out of his meat, Skin practically steals the show and the scene when barreling down on his dick in cowgirl position. With Braun's lens a mere inches away from the action, Skin's penetrated holes can practically be smelled when Braun completely invades her personal space. We like his style!

When all three performers are spent, Tony douses his darling with scads of his homemade billionaire butter. As each girl suspiciously reaches for hidden weapons, Tony blocks their attempted assault with his gauntlet and knocks them out. Noticing matching tattoos, Ten Rings hammer and anvil, Tony suspects foul play.

Learning that the tattoos represents the Prometheus Corporation, a weapons manufacturer on the Chinese mainland, Tony dons the new and improved Mark IV suit and plans on flying into Hong Kong to give them a piece of his mind. "You can't violate Chinese airspace," Pepper warns, as Black Widow (Brooklyn Lee) appears out of thin air and Tony disappears. "Iron Man is an important national asset. One that's about to become a liability," Black Widow exclaims, grabbing Pepper close for a little taste of her sweet venom.

Spread across Tony's industrious office, Black Widow tears into Pepper's smart clothing by pulling off choice pieces until Pepper is nearly naked. Kneeling before her, Black Widow parts Pepper's legs and begins to wiggle her tongue across Pepper's pretty pussy. "You taste so delicious," Black Widow praises, wedging her tongue inside for another gooey gathering of her lip-smacking goodness.

When it's her turn to feast, Pepper holds Black Widow's legs open, unzipping the red piping to reveal a meaty clit and spongy lips. Wrapping her lips around her snapper as if her pussy contained life-giving oxygen, Pepper puffs, licks and tickles Black Widow's hole until it sputters and butters. With gooey saliva webs connecting Pepper's pout to Black's beaver, it's safe to say both ladies are serviced to perfection.

Now conducting a press conference, The Mandarin watches Tony from a television set in his Chinese castle. As he manipulates his ring, Iron Man vanishes from the telecast and is teleported into The Mandarin's opulent lair. "Welcome Iron Man. I am the Mandarin, the face of your doom!" Mandarin spits, immediately going to war with Tony by using the power of his rings. Easily dominating Iron Man, The Mandarin becomes enraged once the real Iron Man emerges from the sidelines, wearing his new and improved Mark IV suit. "Like the new suit? Refractive coating," Tony teases, kicking The Mandarin's ass into next week.

After learning that The Mandarin's rings are of "alien design", Tony gathers up the Mandarin's sexy betrothed, Mei Ling (Shazia Sahari) and takes her back to his mansion in America in the hopes of tapping into her brain and her ass!

While Tony sleeps, Mei Ling attaches a small device to the bottom of his bed before retiring to the bathroom. Once inside, she's startled when she finds Nick Fury (Lexington Steele), a tall, bald, black man with an insidious eye patch waiting for her inside.

Calling Mei Ling out on her sinister plans against Tony Stark, Mei offers herself to Nick. Wrapping her thick lips around his cobra-sized cock, it takes Mei some effort before she is even able to fit his helmet head into her mouth. Treating his cock like a corkscrew by pumping her fists, Mei maintains steady movement on his cock at all times. Looking up at him with her beautiful eyes, Nick is forced to throw his head back and enjoy the wetness and warmth of her mouth. "Yes, right there!" he charges, grinding his hips into her face until his balls tighten.

Scooting behind her in spoon, Nick holds Mei open the ankles and repeatedly plows into her holes like a jackhammer through aged concrete. Screaming like a banshee, Mei enjoys every inch of Nick's fury, banging on her clit throughout in an effort to make the most of her incredible sexual encounter with the chocolate stud. "I'm coming," she eventually cries, just in time to catch his jizz shower as it covers her from naval to nose.

Awakened by the sounds of sex, Tony walks in and finds Mei splattered with streams of Nick's salty semen. "I hope she brushed her teeth before kissing you," Tony teases, seemingly unfazed by this unlikely turn of events. Pressing on her neck and causing her to faint, Nick quickly does away with Mei in lieu of tempting Tony with a salacious offer.

"We need to talk about a little team I'm putting together," Nick boasts, as Tony's antennae rise up and his interests are peaked!

Can you smell a sequel, my friends? With action this hot, The Mandarin still on the loose, and with many more villains left to destroy, I certainly hope so!

bridgette

hips, lips, tits, power

True sexual liberation and female empowerment comes when a girl is free to do as she pleases. For Bridgette, taking a cock between her tits then stuffing it in her mouth and cunt is all she needs to feel in control of her destiny. Coincidentally, her success is matched by the amount of jizz she takes on her melons, so for this sexy go-getter, girl power has been achieved! Good for you, Bridgette!

INTERVIEW WITH A

PORN STAR

BRITNEY AMBER

ORGIES! ORGASMS! BURGERS! YOGA!

PRO FUCKER TELLS US HOW SHE GETS OFF, STAYS FIT, AND WHICH PART OF HER BODY TO LICK TO REALLY GET HER GOING (IT AIN'T HER CUNT!)!

Interview by Emma Edwards

Is Britney Amber a persona that you become on camera, or are you and she one in the same?
I'd say we are pretty much the same. My personality stays relatively constant whether at work or at home. I am who I am.

Are you wilder on or off screen?
I'm definitely wilder off camera. Off camera, sex is more relaxed and real. It doesn't matter what my face or my body looks like. Everything is dependant on feelings. If it feels good, I go for it, despite what it may look like to an outsider looking in. On camera, I have to worry about the cameraman, the lighting, and looking my best. It is work.

Is there stuff that you do at home that you don't do on camera?
Yes, I do like to have anal sex off camera, although I haven't done it yet on camera. You can't give away the whole pie at once. You have to dole it out in slices. I've been holding my slice of anal pie for five years now.

Regarding sex, what is a nonnegotiable? What won't you do?
Spit really turns me off, and I'm not down for that in my scenes. I don't like when people spit on me, my face, or my pussy. To me, it feels as though I'm being degraded and I'm not into that. I'm also not into the S&M thing. Although I do bondage scenes, I'm not really into it. I'm not into being tied up for long periods of time. When in those situations, I tend to self-sabotage myself by thinking that I'm going to get an itch that I can't scratch. And, sure enough, once I'm tied up, I begin itching everywhere. It's torture.

Does your real life resemble your exciting porn life?
Yes, although when I'm at home I'm usually busy running errands. Besides that, I spend lots of time traveling, doing porn conventions and feature dancing. While out, I do get to meet a lot of cool people. At home, I must admit, it's pretty lame sometimes.

Do you bring your "work" home with you?
Not usually, but it does seem to happen on occasion. Recently, I took place in an orgy after an industry party. Samantha Saint, Alex Gonz, my boyfriend and I, and a few other people participated in it. It was hot!

So, you say you're a feature dancer. What type of show do you like to put on?
I love dancing for the fans and love wearing sexy costumes for them. For example, last night, I wore a slutty cowgirl costume and worked the stage, passing out pictures of myself and DVDs. My fans also love my racecar outfit.

> “Men seem to get in there and work my pussy the right way. I want them to bury their face in my pussy and fucking go for it!

Do you usually gear your music toward the outfit you’re wearing?
Yes, when I have time that is a fun thing to do. But, last night I was rushed so badly that I didn’t really have time to think about anything. I got on stage in a rush and tried to do my best.

Of all of your routines, which one is your biggest crowd pleaser?
That depends on the vibe of the crowd, or the city I’m in. When the club is slow and full of dull energy, it doesn’t really motivate me to kick ass on stage.

How would you describe your sexual style?
My sexual style is cute, bubbly and fun. I can also be a bit wild if paired with the right person.

So the wilder part of your sexuality is dependant on whom you’re paired with?
Sure. Absolutely. Sometimes, when I’m paired with a person I’m not really into, I may act differently in that scene. That doesn’t usually happen very

often. I've been rather lucky, although there have been a few bad pairings.

Which performers would you say you have the best chemistry with?
Well, that is hard to say considering that I'm not with one any one performer regularly enough to give an accurate answer. Well, come to think of it, I did have great chemistry with Spencer Scott. I worked with her in *Not Animal House XXX* (Adam & Eve Pictures/XPlay). She's gorgeous. No male performers come to mind though.

Well, we once saw you perform well with Marcus London in *Halloween XXX Porn Parody* (Smash Pictures). Would he be a good candidate?
Actually, that was a horrible day for me. In fact, they needed to bring in a stunt cock to complete that scene. We didn't have good chemistry, to say the least. Thank God for good editing.

What is your favorite way to reach orgasm?
My Hitachi wand is the best way for me to reach orgasm. Isn't that every girl's favorite way? I don't have to use it everyday though because I have a boyfriend. I use it whenever I'm alone though. That's always a good time.

What turns you off?
Regular things turn me off, such as hygiene. I'm pretty easy going otherwise. Oh, and spit! Spit turns me off!

What type of female turns you on?
I'm very interested in curvy blondes with wide hips. Big natural boobs are also a plus. Alexis Texas would be a prime example of my type of girl.

Who gives better head, men or women?
Men! Men seem to get in there and work my pussy the right way. I want them to bury their face in my pussy and fucking go for it. Some women don't give it their all.

Is there anything in particular that you enjoy masturbating to?
Yes, there are many different visuals that I use when masturbating. Gay porn is one of those things. I enjoy gay porn. It's sexy and the guys are hot.

Who is your favorite porn star of all time?
I really admire Jesse Jane. She's bubbly, cute and always has a great attitude. I've worked on her site with her and really had a good time. Her upbeat attitude is great for our industry. And, she never speaks badly of people. I like that about her.

Which project have you been most proud of?
There have been a few porn parody projects that I've been quite proud of. One of which was *Not Animal House XXX* and *Barbwire XXX*, where I play Pamela Anderson's title role. Both were really cool. I had a great time on both sets. It was cool playing Pamela Anderson.

What is your favorite food to eat?
I love In-N-Out burgers! Love them!

Thankfully, you have a great metabolism. Eating burgers everyday could really add up.
Yes, I do exercise regularly. I've practiced yoga; have done weight training and other things. Not to mention feature dancing. Working the pole and the stage will get you into shape quickly.

Do you enjoy listening to music while having sex? If so, what type turns you on?
Actually, I don't really listen to music during sex. If there is music on, I'm not noticing it. I'm more interested in the sex! Guess that means my partner's doing a good job.

What's your idea of a perfect date?
I enjoy spontaneous dates. It's great when somebody plans a date for us. I'm very easy going, so anything would be fun. I'm definitely the more chill type. I'm not very romantic, actually.

Aside from your clit, what is the most sensitive part of your body?
I have sensitive ears. I love having my ears licked. Feeling a person's tongue in my ear is great. It's such a turn-on!

MAN OF STEEL XXX: AN AXEL BRAUN PARODY ⚡⚡⚡⚡⚡

(Vivid Super Heroes XXX) Starring: Kirsten Price, Skin Diamond, Kendall Karson, Samantha Ryan, Sasha Knox.

After a freak accident leaves Livewire electrocuted, the *Man of Steel* has reached his breaking point. Now deemed a threat to society, President Lex Luthor has placed a billion dollar bounty on his head and has scientifically cloned a "world guardian" named Bizarro. This and more is revived in *Man of Steel XXX*, a darker, more edgy incarnation of America's favorite crime fighter, developed and created by ace director Axel Braun. Going back in time, the movie bursts to life with Livewire (Sasha Knox) fucking Barry Scott in front of his tied-up wife. After all three of her holes are stuffed, all hell breaks loose. Now, after accidentally murdering Livewire, Superman travels back to Smallville to rekindle his romance with Lana Lang (Samantha Ryan). Whilst dreaming, Superman's subconscious mind gets down and dirty with Zatanna (Kendall Karson) by spreading her legs open like a wishbone against some illuminated rocks. While Bizarro is off in the world causing havoc, Lois Lane (Kirsten Price) pays a visit to Lana Lang (Samantha Ryan). Worried for the man they love, the two downhearted darlings find comfort by rubbing their clits together. Once she's finished there, Lana Lang sexually succumbs to Bizarro's big banger. With plenty more action, drama, and wild bouts of superhero sex to come, this film is quality from end to end, with loads of super sperm in between!

PRETTY DIRTY 2 ⚡⚡⚡⚡

(Pornstar Empire) Starring: Jayden Jaymes, Chanel Preston, Lisa Ann, Puma Swede, Angel Long.

Stretched across six scenes, director Ivan does his part to highlight the diverse sexual nature of porn's reigning pin-up goddess, Jayden Jaymes. Joined by an illustrious batch of A-List performers; expect good moments with touches of greatness. The show begins with Prince Yahshua throwing Jayden over his shoulder like a sack of potatoes to ravage her curvy body from the inside out. After plenty of hot oral action, Prince lays down some serious pipe in missionary position. From here, Jayden devours Lisa Ann. With loads of tit-to-tit and clit-to-clit action, these lovely ladies really do a fine job of heating each other up. In time, Prince Yahshua walks into the room with his boner standing at full attention. Just when we think the scene is about to get really good, it cuts to a lesbian tryst that has Jayden ingesting the insides of Puma Swede and Angel Long. Although their scene is hot and worthwhile, we can't help but feel cheated! After having lost some serious momentum, the highly anticipated three-way scene between Jayden, Lisa Ann and Prince Yahshua finally commences in the following interlude. WTF? Hot by every unit of measure, we still can't understand the odd placement of this scene. However, the movie does end on the highest note when Alex Gonz stacks up Chanel Preston and Jayden Jaymes like a pair of pancakes. Can you say YUM?

YOUNG THIGHS IN KNEE HIGHS 3

(Third Degree Films) **Starring: Trinity St. Clair, Jessica Ryan, Rilynn Rae, Stacie Jaxxx, Hope Howell.**

Decked out in sexy panties and knee-high socks, five sexy sparrows spread their wings while being stuffed like Thanksgiving Day turkeys in director Mike Quasar's latest teen dream. With plenty of teenage temptation and loads of cock pleasing, these dirty debutants prove to be sexually skilled beyond their years. Pint-sized princess, Trinity St. Clair, proves to be the dirtiest bird in the bunch despite her innocent demeanor. Enticing Anthony Rosano into hardcore play, she spit shines his pecker and treats his pole like a pogo stick in cowgirl. When Trinity's through, Jessica Ryan dazzles the screen with her red hair and fat lips. Mark Wood later uses her puffy pout to wrap around his pole. With plenty of solid slurping and hot tongue action, Jessica clearly demonstrates the proper way to please a cock. Slightly more commanding than the rest, Rilynn Rae earns a passing grade when slamming her student body into John Strong. Being fucked to a pulp, it's hot watching this big girl take on such an experienced dick. Even though Rilynn demonstrates solid cock riding skills, Stacie Jaxxx, a tight and tender blonde, also scores major points when mixing middles with Tommy Pistol. Not to be outdone, Hope Howell, a chunky but funky teen, does the deed with Dane Cross by allowing him to push her knee-highs apart, creating a frothy finale.

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparllia in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim **TURBO-D** is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

collie

playing by the rules

My parents always told me to be a good girl and to not "get into any trouble with boys", if you know what I mean. So, instead of risking anything, I like to let my boyfriend fuck my tight teen asshole. It feels super great and after I suck his cock, he's all wet and ready and slips his big head in right through my elastic little a-hole. He'll bang away for like, 30 minutes, then he'll shoot his cum deep inside me! And there's no way we can get into any "trouble" that way! LOL!
